Paragraph 1 – Scope of Services

• **Deliverables:**

Contractor shall recruit and select for hiring within the Recovery School District up to forty (40) teachers who meet all state and federal legal requirements for teaching in the content areas and grade levels as needed by the Recovery School District and satisfy current federal and state requirements for “highly qualified” teacher status. Said teachers will be hired for the 2009-2010 school academic year and shall teach in Recovery School District schools for a minimum of two consecutive academic years.

A. Contractor shall require all such teachers to participate in an intensive five-week summer institute designed to prepare new teachers to enter the classroom during which the teachers shall work in teams of three or four to assume full responsibility for teaching a class in morning summer schools run by Teach For America under the supervision of a faculty of experienced teachers and shall participate in a full schedule of daily morning and afternoon professional development activities centered upon Teach For America’s training curriculum.

B. Contractor shall hold a week-long induction for all such teachers in order to orient them to the Greater New Orleans area and shall organize activities during the week-long induction designed to introduce such teachers to the resources and history of the New Orleans area.

C. Contractor shall arrange multiple (at least 4) opportunities for principals to interview prospective teachers during the hiring season.

D. Contractor shall provide accurate and timely information requested by State about teachers in order to facilitate the hiring and placement process for the teachers.

E. Contractor shall work with State to identify specific partner schools within the Recovery School District and shall develop relationships with Recovery District school administrators and staff.

Paragraph 2. Payment Terms

In consideration of the services described above, State hereby agrees to pay the Contractor a maximum fee of \$5,000.00 per Teach For America teacher that, pursuant to this contract, commences teaching at a Recovery School District school. Said fee will be due in two installments of \$2,500 per teacher per year for a maximum of two years. Contractor will invoice State at the start of each academic year for the number of teachers that begin teaching at the start of the academic year. The total maximum fee payable to Contractor is \$200,000. The fee will be determined based on the number of teachers hired through site selection at the per-teacher cost. Payment will be made only on approval of the Director of Human Resources of the Recovery School District. The Contractor must use the standard Louisiana Department of Education Professional Services Billing Form for invoicing purposes.

If progress or completion is obtained to the reasonable satisfaction of the State, payments are scheduled as follows: State shall pay Contractor the above-referenced per teacher fee at the time the teacher begins teaching in a Recovery School District school. Contractor will submit invoices for payment to the State no later than October 30, 2009.
